

Everest
METAL INDUSTRIES

WE REPRESENT THE **QUALITY** IS OUR PRIORITY
IS OUR NAME
IS OUR FUTURE

COMPANY PROFILE

"EVEREST" Was established in 1982. Since from the day of establishment **"EVEREST"** principle was **"Best Possible Quality at least possible cost under most dedicated service"** **"EVEREST"** very well understand the requirement for customer and full attention is concentrated for the quality which includes the accurate specification, durable and attractive finishes and above all the most competitive pricing. These have become possible due to adoption of modern machineries and technology. The R&D team is employed for updating of technology and QC team to have constant control and vigilance on quality right from selection of raw material to the last minute of checking and packing.

Adoption of such policy and strict adherence of principle has bestowed the highest satisfaction of our worldwide customer.

"EVEREST" is very well known for the highest ratio of Cost : Quality. Your search for quality brass building Hardware and Art ware ends with **"EVEREST"**

Trial is earnestly Solicited.

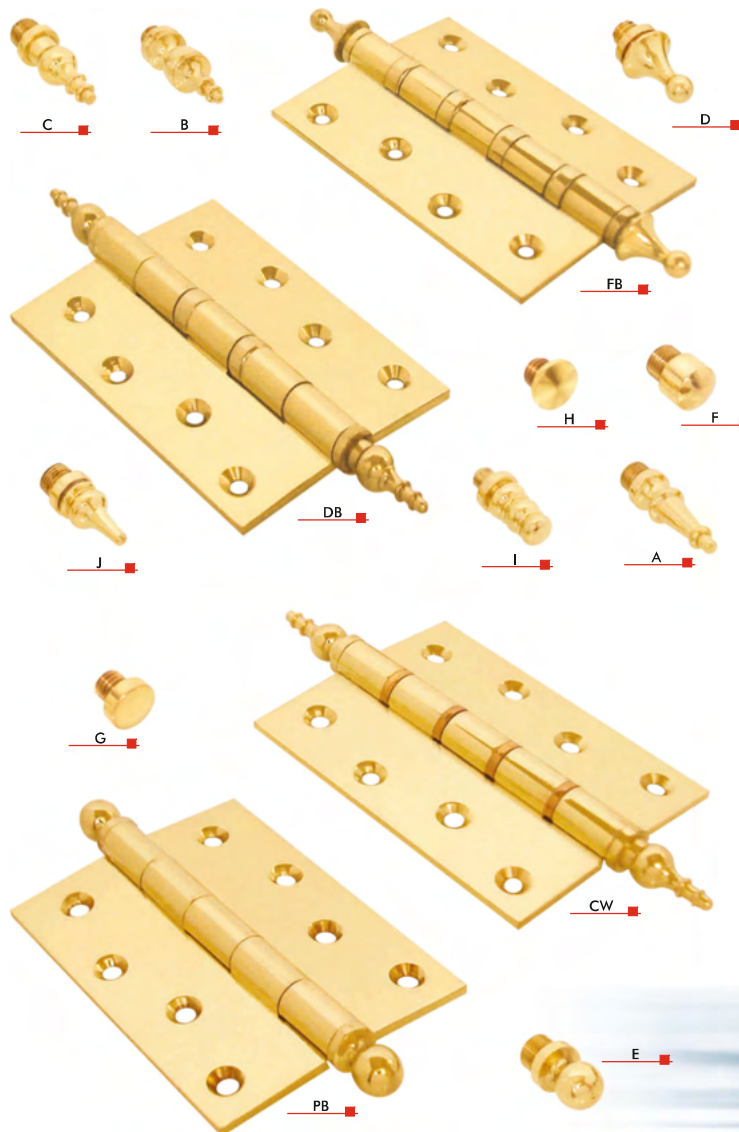

QUALITY POLICY

As **"EVEREST"** represent the highest pick of the world, likewise policy of **"EVEREST"** group is also to touch the highest quality Standard. The Full attentions are concentrated on the following point.

- 1 **Specification:** Constant vigilance are adopted by quality QC team for the correct and accurate dimensions of the products at all occasion.
- 2 **Finish:** **"EVEREST"** have modern facility for various finishes. The prime aim is that each and every finishes should be attractive and durable.
- 3 **Strengths:** Beside the accuracy and attractive finishes utmost care is taken for the longevity of the product in us.
